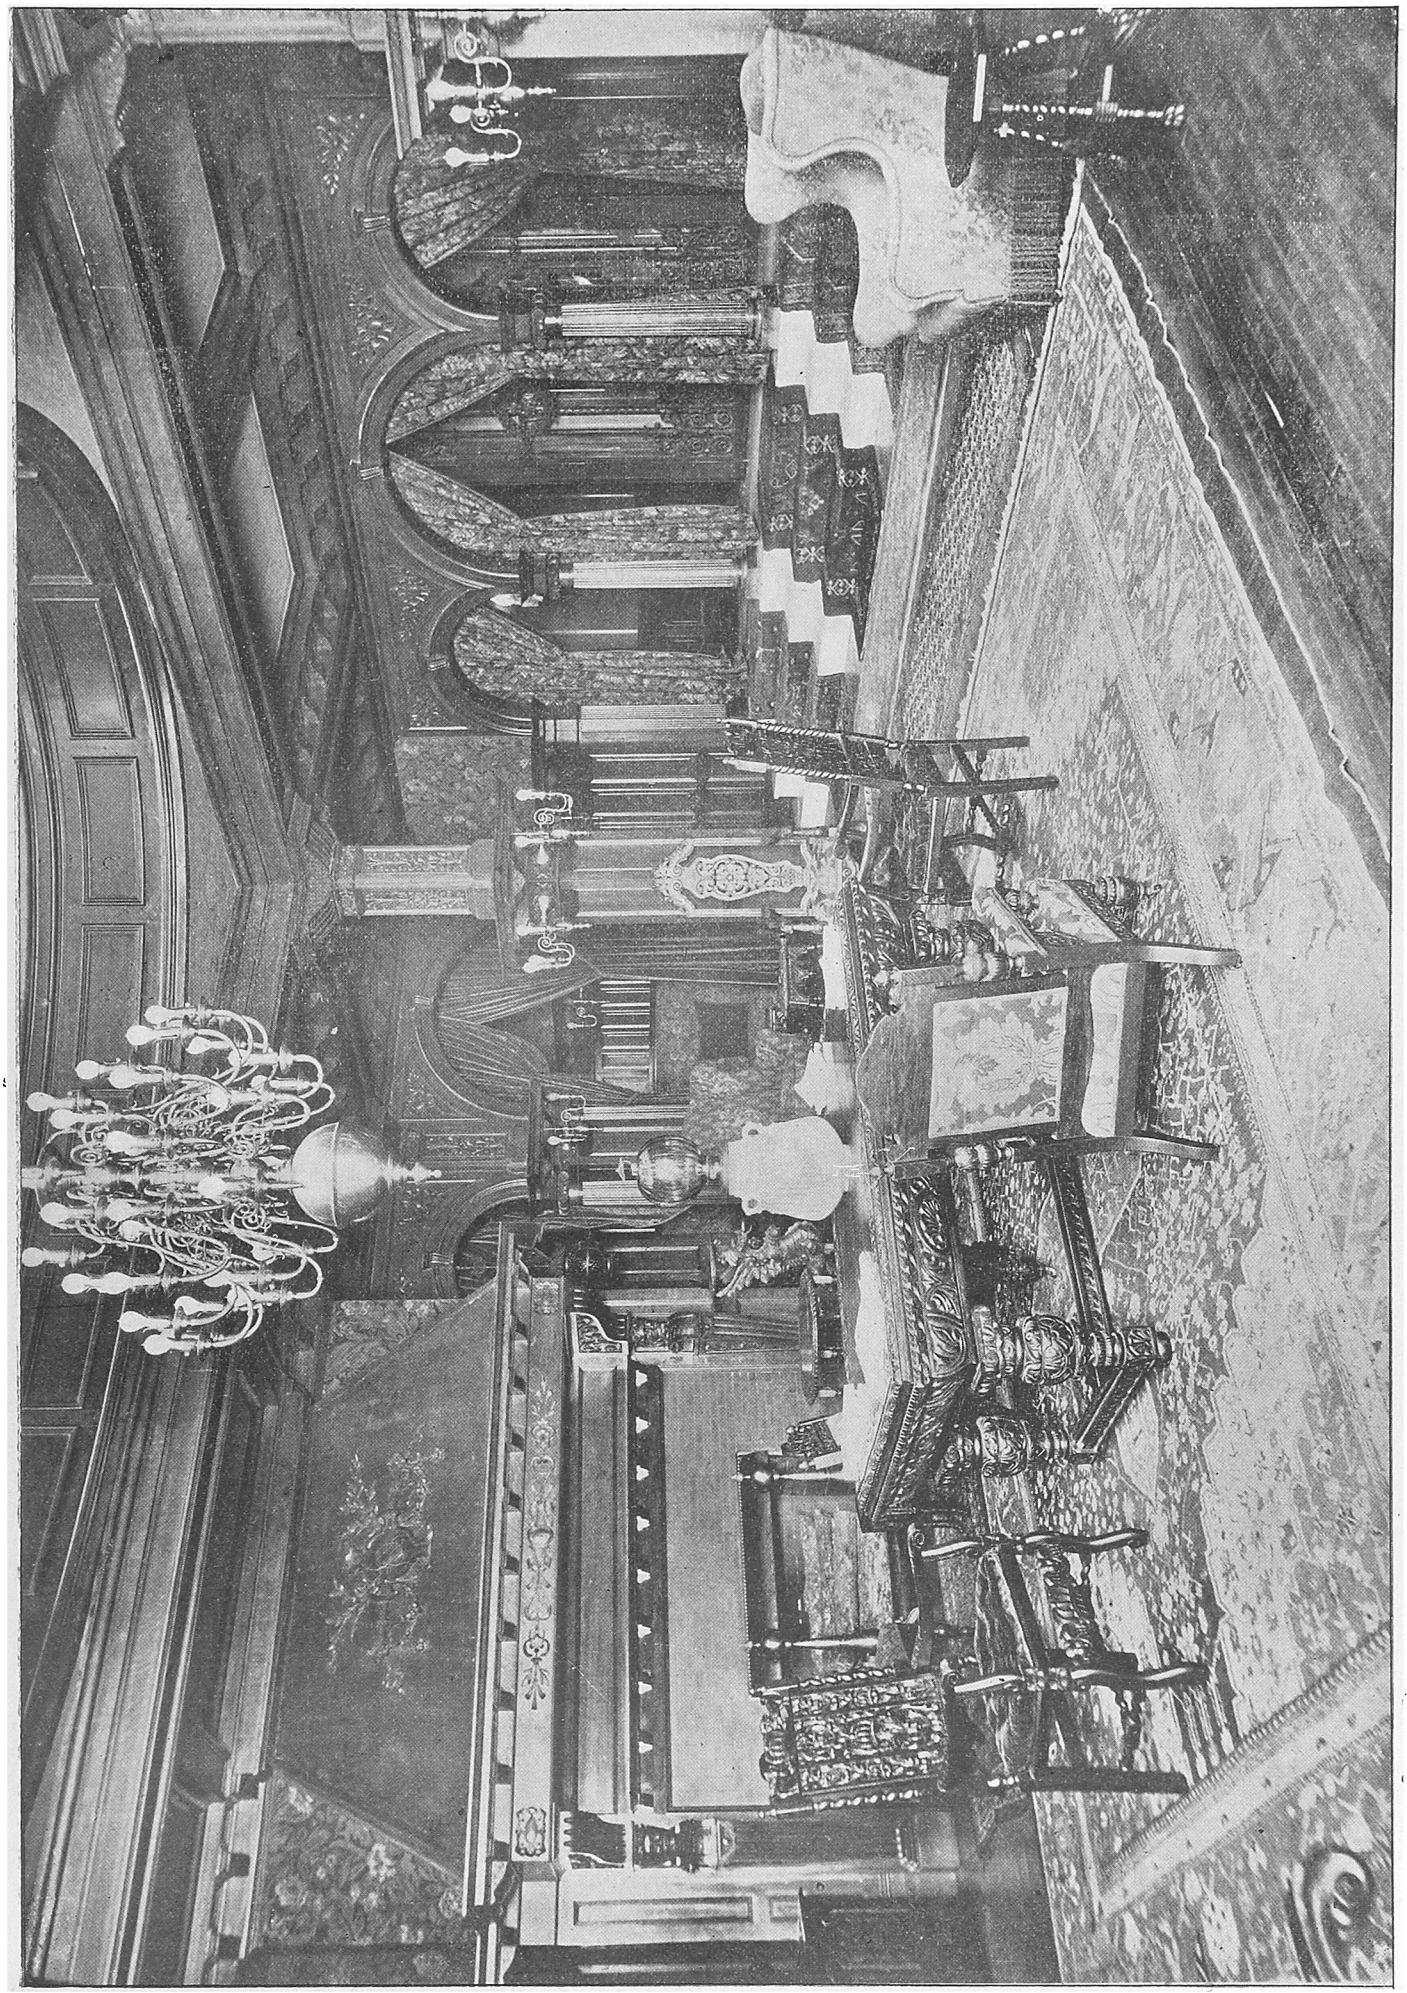
JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.



"The Oak Room," Hotel Marie Antoinette, New York City. Designed and executed by James T. Hall & Co., New York.

The woodwork in this handsome apartment—and the furniture as well—is of dark antique oak, the frieze is tapestry, in rich antique coloring. The skylight is dome shape, filled with glowing colors. Two large fireplaces—one of which is in the illustration—occupy opposite ends of the room. The complete color scheme is rich, subdued and elegant.
